

American Perfumer and Cosmetics

Index of Volume 82

January-December, 1967

Published by Allured Publishing Company
1031 South Boulevard, Oak Park, Illinois 60302, U.S.A.

A

- Absolute intensity of odor and olfactory equilibrium. Physical foundations in perfumery, Part V.—Louis Appell, November, p. 35.
- Abstracts of papers given at Annual Scientific meeting, Society of Cosmetic Chemists—January, p. 51.
- Abstracts of papers given before Scientific Section, The Toilet Goods Association—January, p. 52.
- Abstracts of papers given at Semi-annual Meeting, Society of Cosmetic Chemists—June, p. 74.
- Abstracts of papers given before Scientific Section, The Toilet Goods Association, June, p. 80.
- Abstracts of papers given before the 13th Annual Meeting, Society of Cosmetic Chemists, November, p. 69.
- Acetal copolymer aerosols, Personal product formulations for—M. J. Kakos and M. K. Black, November, p. 57.
- Aerosol antiperspirants, Rehydrol®, its uses in formulating—J. J. Martin, October, p. 59.
- Aerosol containers, (An) Investigation of the hazards of uncoated glass—Helmut Ziegler, May, p. 33.
- Alcohol in extracts and tinctures, Iodometric and colorimetric determination of—M. S. Karawya et al., April, p. 45.
- Alcohol in various countries (condensed national alcohol regulations), Some facts on—Erik Thomsen, Feb., p. 25.
- Altering the flow properties of light mineral oil with Bentone® 38—Charles T. Lesshaft, October, p. 49.
- Aluminum stearate gels, Some properties and applications of—J. C. Morrison and J. S. Stephens, November, p. 53.
- Applications of Pluronic® polyols in the cosmetic industry—Irrving R. Schmolka, July, p. 25.
- Aroma research, High resolution gas chromatography in—Roy Teranishi, September, p. 43.
- Australia, (The) Cosmetic industry in—Roy A. Sinclair, September, p. 39.
- Azulene in pharmacy and cosmetics—H. Wirth, Oct., p. 81.

B

- Bentone® 38, Altering the flow properties of light mineral oil with—Charles T. Lesshaft, October, p. 49.

C

- (The) Canadian Food and Drug Act and Regulations as they apply to cosmetics—R. E. Curran, Sept., p. 53.
- Casein for hair and skin cosmetics, Processed milk—Harold K. Salzberg, November, p. 41.
- Chemical and physical aspects of permitted color additives, Some legal—Louis Koch, July, p. 35.
- Citrus essential oils from Israel—H. B. Basker, July, p. 33.
- Civet, Ethiopian—C. Lloyd Fischbeck, December, p. 45.
- Cleaning products for wigs and hairpieces—Albert Shansky, July, p. 43.
- Colorimetric determination of alcohol in extracts and tinctures, Iodometric and—M. S. Karawya, et al., April,

p. 45.

- Colorimetric estimation of eugenol in oil of clove, allspice, bay—M. S. Karawya and S. K. Wahba, Dec., p. 55.
- Contact sensitivity to para-hydroxybenzoate esters—Dr. Earl J. Rudner and Dr. Etain Cronin, August, p. 31.
- Container interactions with contents, Glass and plastic—Special report, August, p. 25.
- (A) Contribution to the study of emulsions—F. LaChampt and R. M. Vila, January, p. 29.
- Cosmetic grade propoxylated ethers, New—L. S. David, November, p. 31.
- (The) Cosmetic industry in Australia—Roy A. Sinclair, September, p. 39.
- Cosmetic sales, (The) Effect of weather on—M. Kestin, December, p. 60.
- Cosmetics industry in Spain, Development of perfumery and—Francisco Serra, May, p. 43.
- Cosmetics, Modern dispensing of—Anthony Iannacone, December, p. 41.
- Creams and lotions, Marketing—Franklin H. Cooper, October, p. 91.
- Creativity can be fostered—Douglas T. Jaeger, Feb., p. 47.
- Curing Florida grapefruit oils—J. W. Kesterson and R. Hendrickson, January, p. 37.
- (The) Cutaneous safety of fragrance material as measured by Maximization Test—Norman Greif, June, p. 54.

D

- Decyl oleates, Two—Robert L. Goldemberg, October, p. 87.
- Development of perfumery and cosmetics industry in Spain—Francisco Serra, May, p. 43.
- Diisopropyl adipate—Alvin I. Zwicker, October, p. 61.
- Dispersed systems, Influence of lanolin derivatives on. II. The dispersion of pigments in aqueous media—Lester I. Conrad, et al., March, p. 31.
- Do's and don'ts on outside disclosures—Robert P. Auber, May, p. 53.
- Drug Act and Regulations as they apply to cosmetics, (The) Canadian Food and—R. E. Curran, Sept., p. 53.

E

- (The) Effect of weather on cosmetic sales—M. Kestin, December, p. 60.
- Emulsions, (A) Contribution to the study of—F. La Champt and R. M. Vila, January, p. 29.
- Emulsions, Stability of—G. Rimlinger, December, p. 31.
- Essential oils from Israel, Citrus—H. B. Basker, July, p. 33.
- Ethiopian civet—C. Lloyd Fischbeck, December, p. 45.
- Eugenol in oil of clove, allspice, bay, Colorimetric estimation of—M. S. Karawya and S. K. Wahba, Dec., p. 55.
- Evaluation of new formulations, Pharmacological and toxicological—R. A. Scala, December, p. 37.
